

Directions e-mailed to me from the Carmi Bullfrogs:

Our pool is by Eckerle Park. If you use mapquest it will direct you to the park. I have emailed you the directions. The only thing is it takes your through New Harmony and I did not know if some of your parents would be coming from Mt.Vernon,In. IF they do...here is how they would go....

After crossing the IL/IN bridge heading West, they are going to turn Right (heading North) on Epworth Road. They will stay on Epworth road all the way into Carmi. (Landmark... Light is by gas station) When they come to the light...they will turn Left (heading west) on what we call Main St. Stay on Main Street to Church St. Make a Left (heading South) on to Church St. Eckerle Park is off of Church St. They will make a Right on Eckerle.

Hope this helps and is not as clear as mud for you. If you need more help just let me know.

Whether they come from Mt. Vernon or New Harmony, they will still turn left or South on to Church St. and then Right on Eckerle.

A different set of directions from the Carmi Bullfrogs:

Once on Main Street (IL Hwy 1), turn southeast onto Church Street. It is at the corner of the China House and the United Methodist Church in downtown Carmi. After 3 blocks, Church St. will take you with in view of Eckerle Park, turn right towards the park.

Mapquest directions are on attached page. See you there!
